Superior Farms Fresh Bone-in USDA Choice Leg of Lamb

California Leg of Lamb is one of our most popular entrees for Easter. Because the leg meat is so tender and juicy it is ideal for dry-heat cooking, roasting or grilling, but also stays very moist and delicious after long, slow braising. A delicate flavor, our leg of Lamb is wonderful grilled with just salt & pepper as seasonings, but is also equally delicious with marinades, herbs and dry rubs. Oliver's has a great price on this California Leg of Lamb. Enjoy!

For Leg of Lamb, Oliver's recommends pairing with...

Sonnet Pinot Noir

2007, Santa Cruz Mountains. When we tasted this wine, we thought, "This is delicious." When we were told that we could sell it for half regular retail if we bought a lot of it, we started clearing space... This is a winner to accompany that Easter Ham; a smooth and velvety wine that won't overpower the meal. Going for Salmon fillets or Vegetarian fare? This Pinot is just the ticket! Be sure to keep plenty on hand for your next BBQ as well! 750 ml. Bottle.
